## Declaration 2024

All our deliveries of our products correspond to the European REACH regulation (EC 1907/2006).

Our products do not contain any substances listed in the current SVHC-list (23/01/2024) of the ECHA (European Chemicals Agency) in concentrations more than 0.1 % w. They do not contain substances listed in Annex XIV.

In addition we are working with our suppliers to assure the compliance to this regulation.

The aspiration to protect our environment and to preserve it for future generations is for OBE not only a sign of foresight, but also of ecological responsibility.

We commit to preserve resources by using them carefully and minimising as much as possible their negative environmental impacts. Therefore we have established an environmental management system and are certified according to EMAS and ISO 14001.
